

A typical commercial street in Kensington.

In such a diverse neighbourhood,

I was in awe looking at the

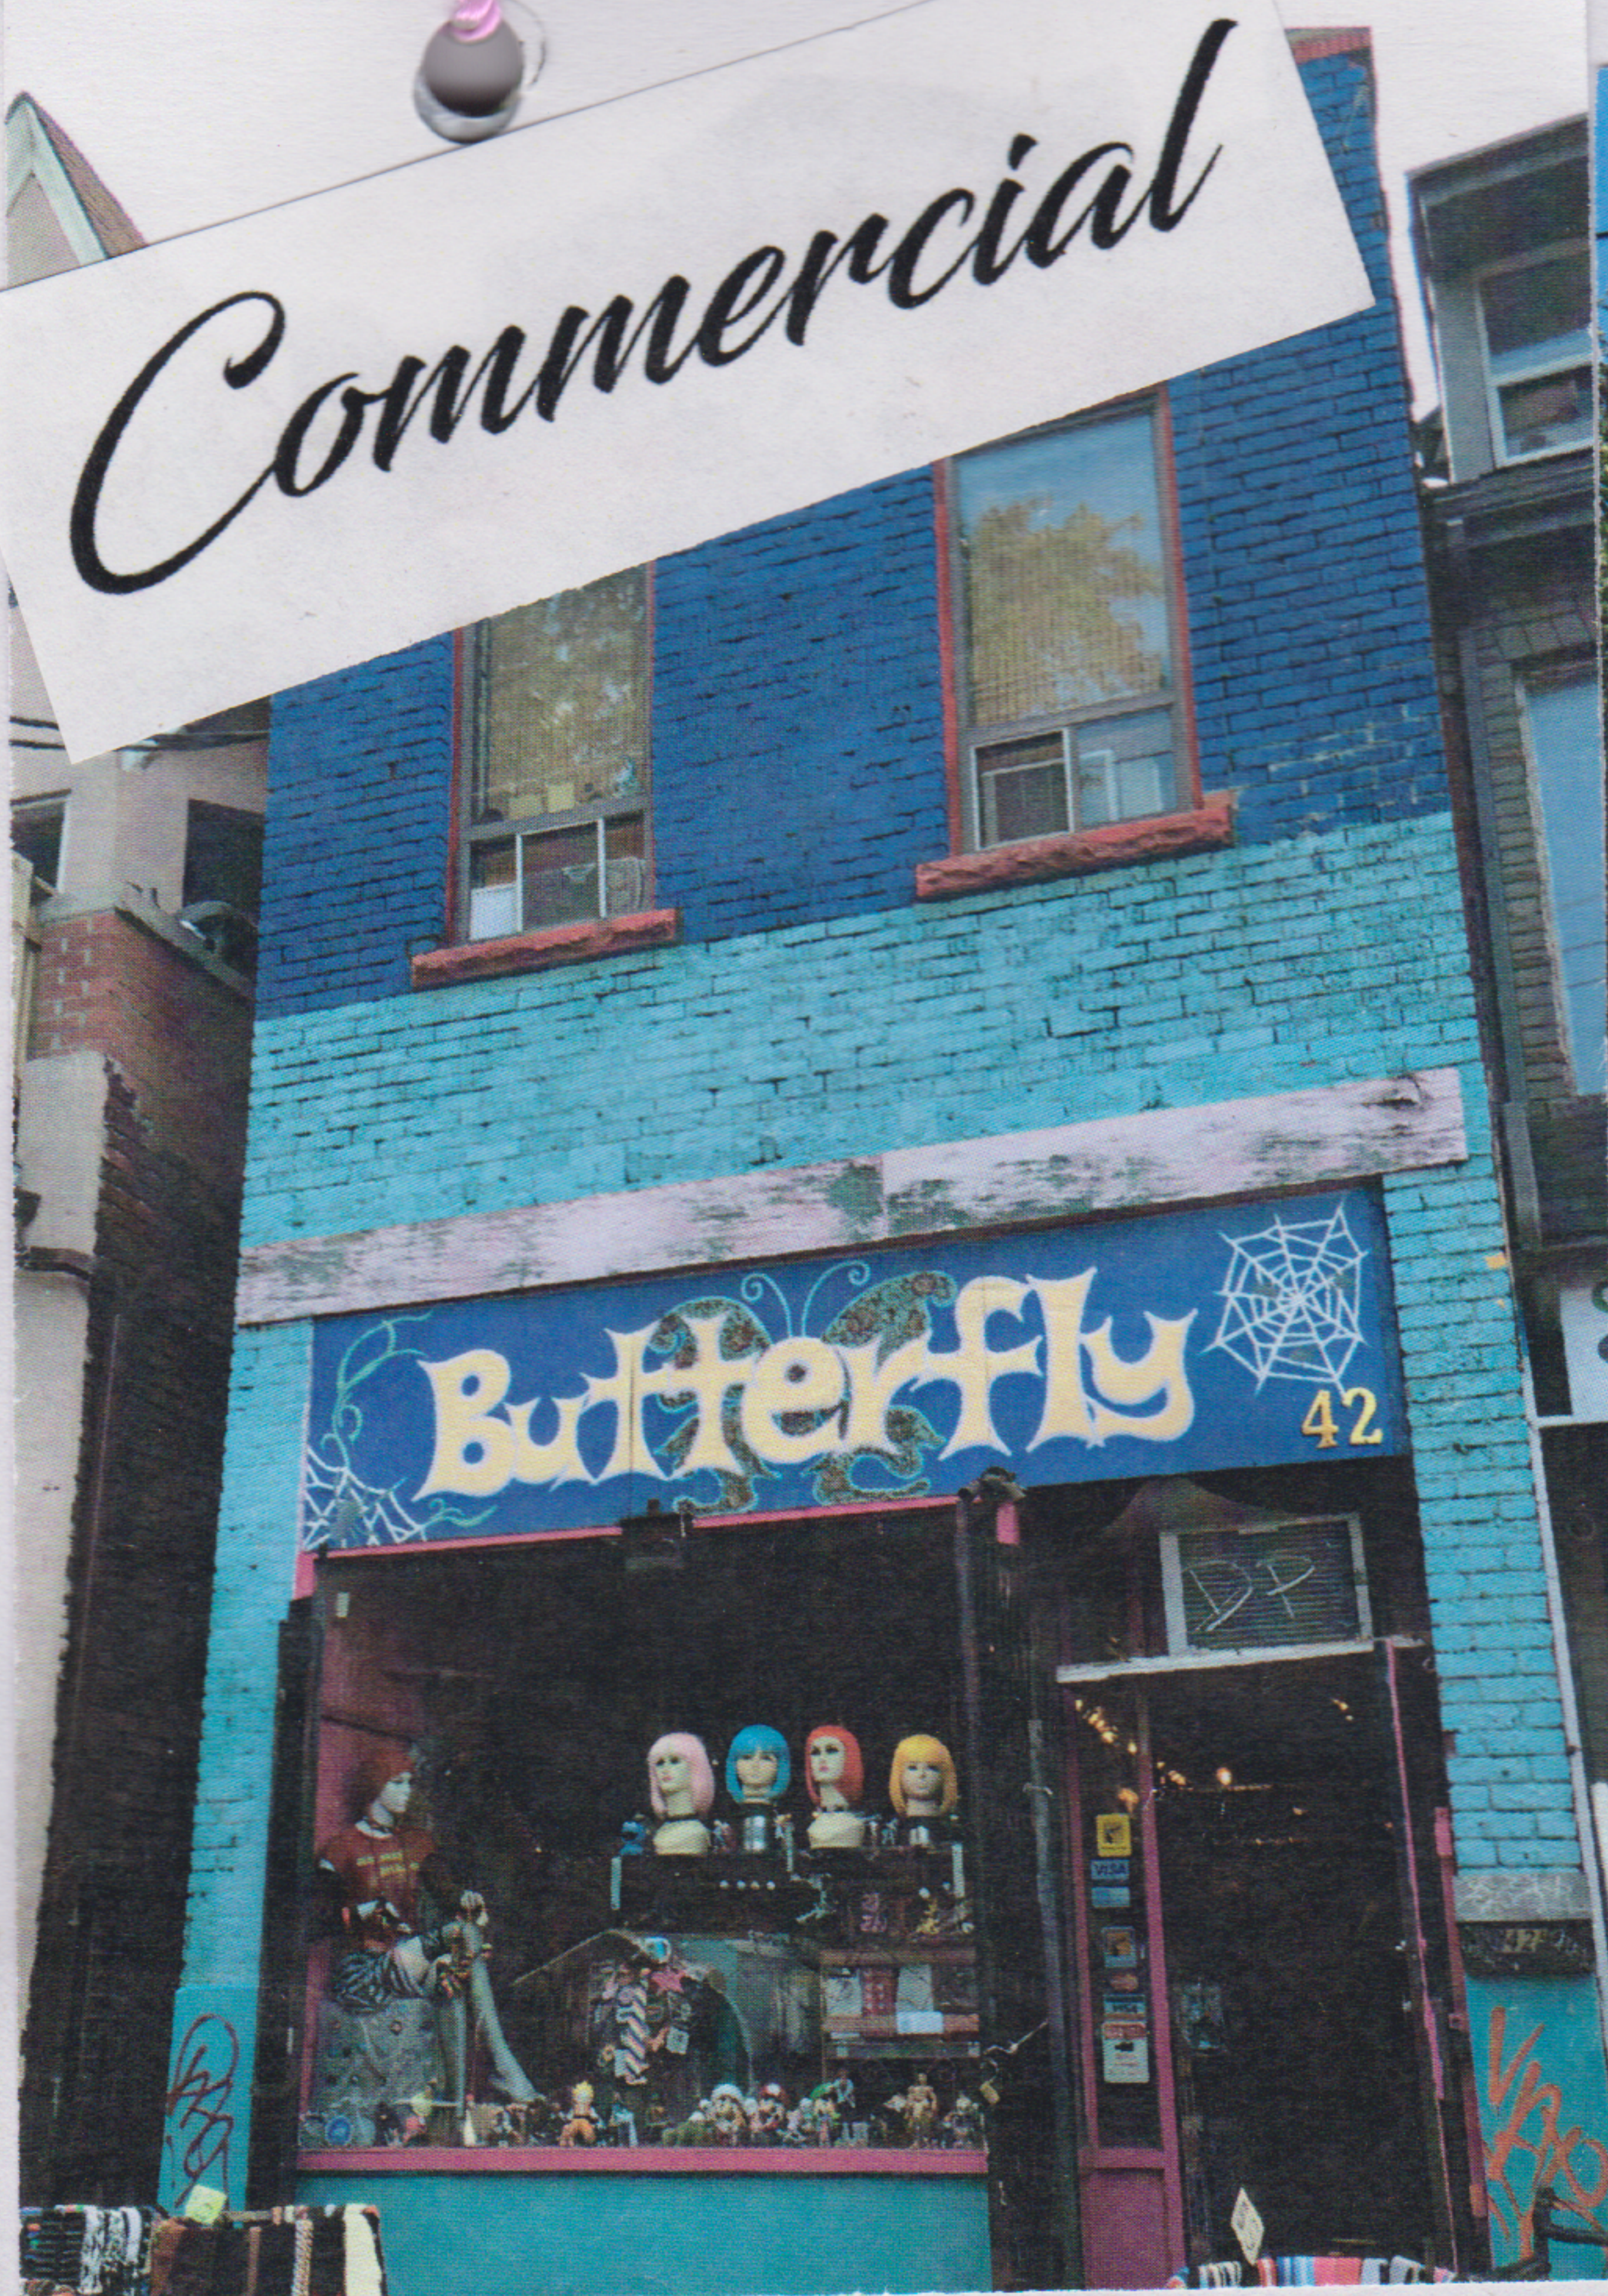

design & other visual aspects

of the buildings that portray

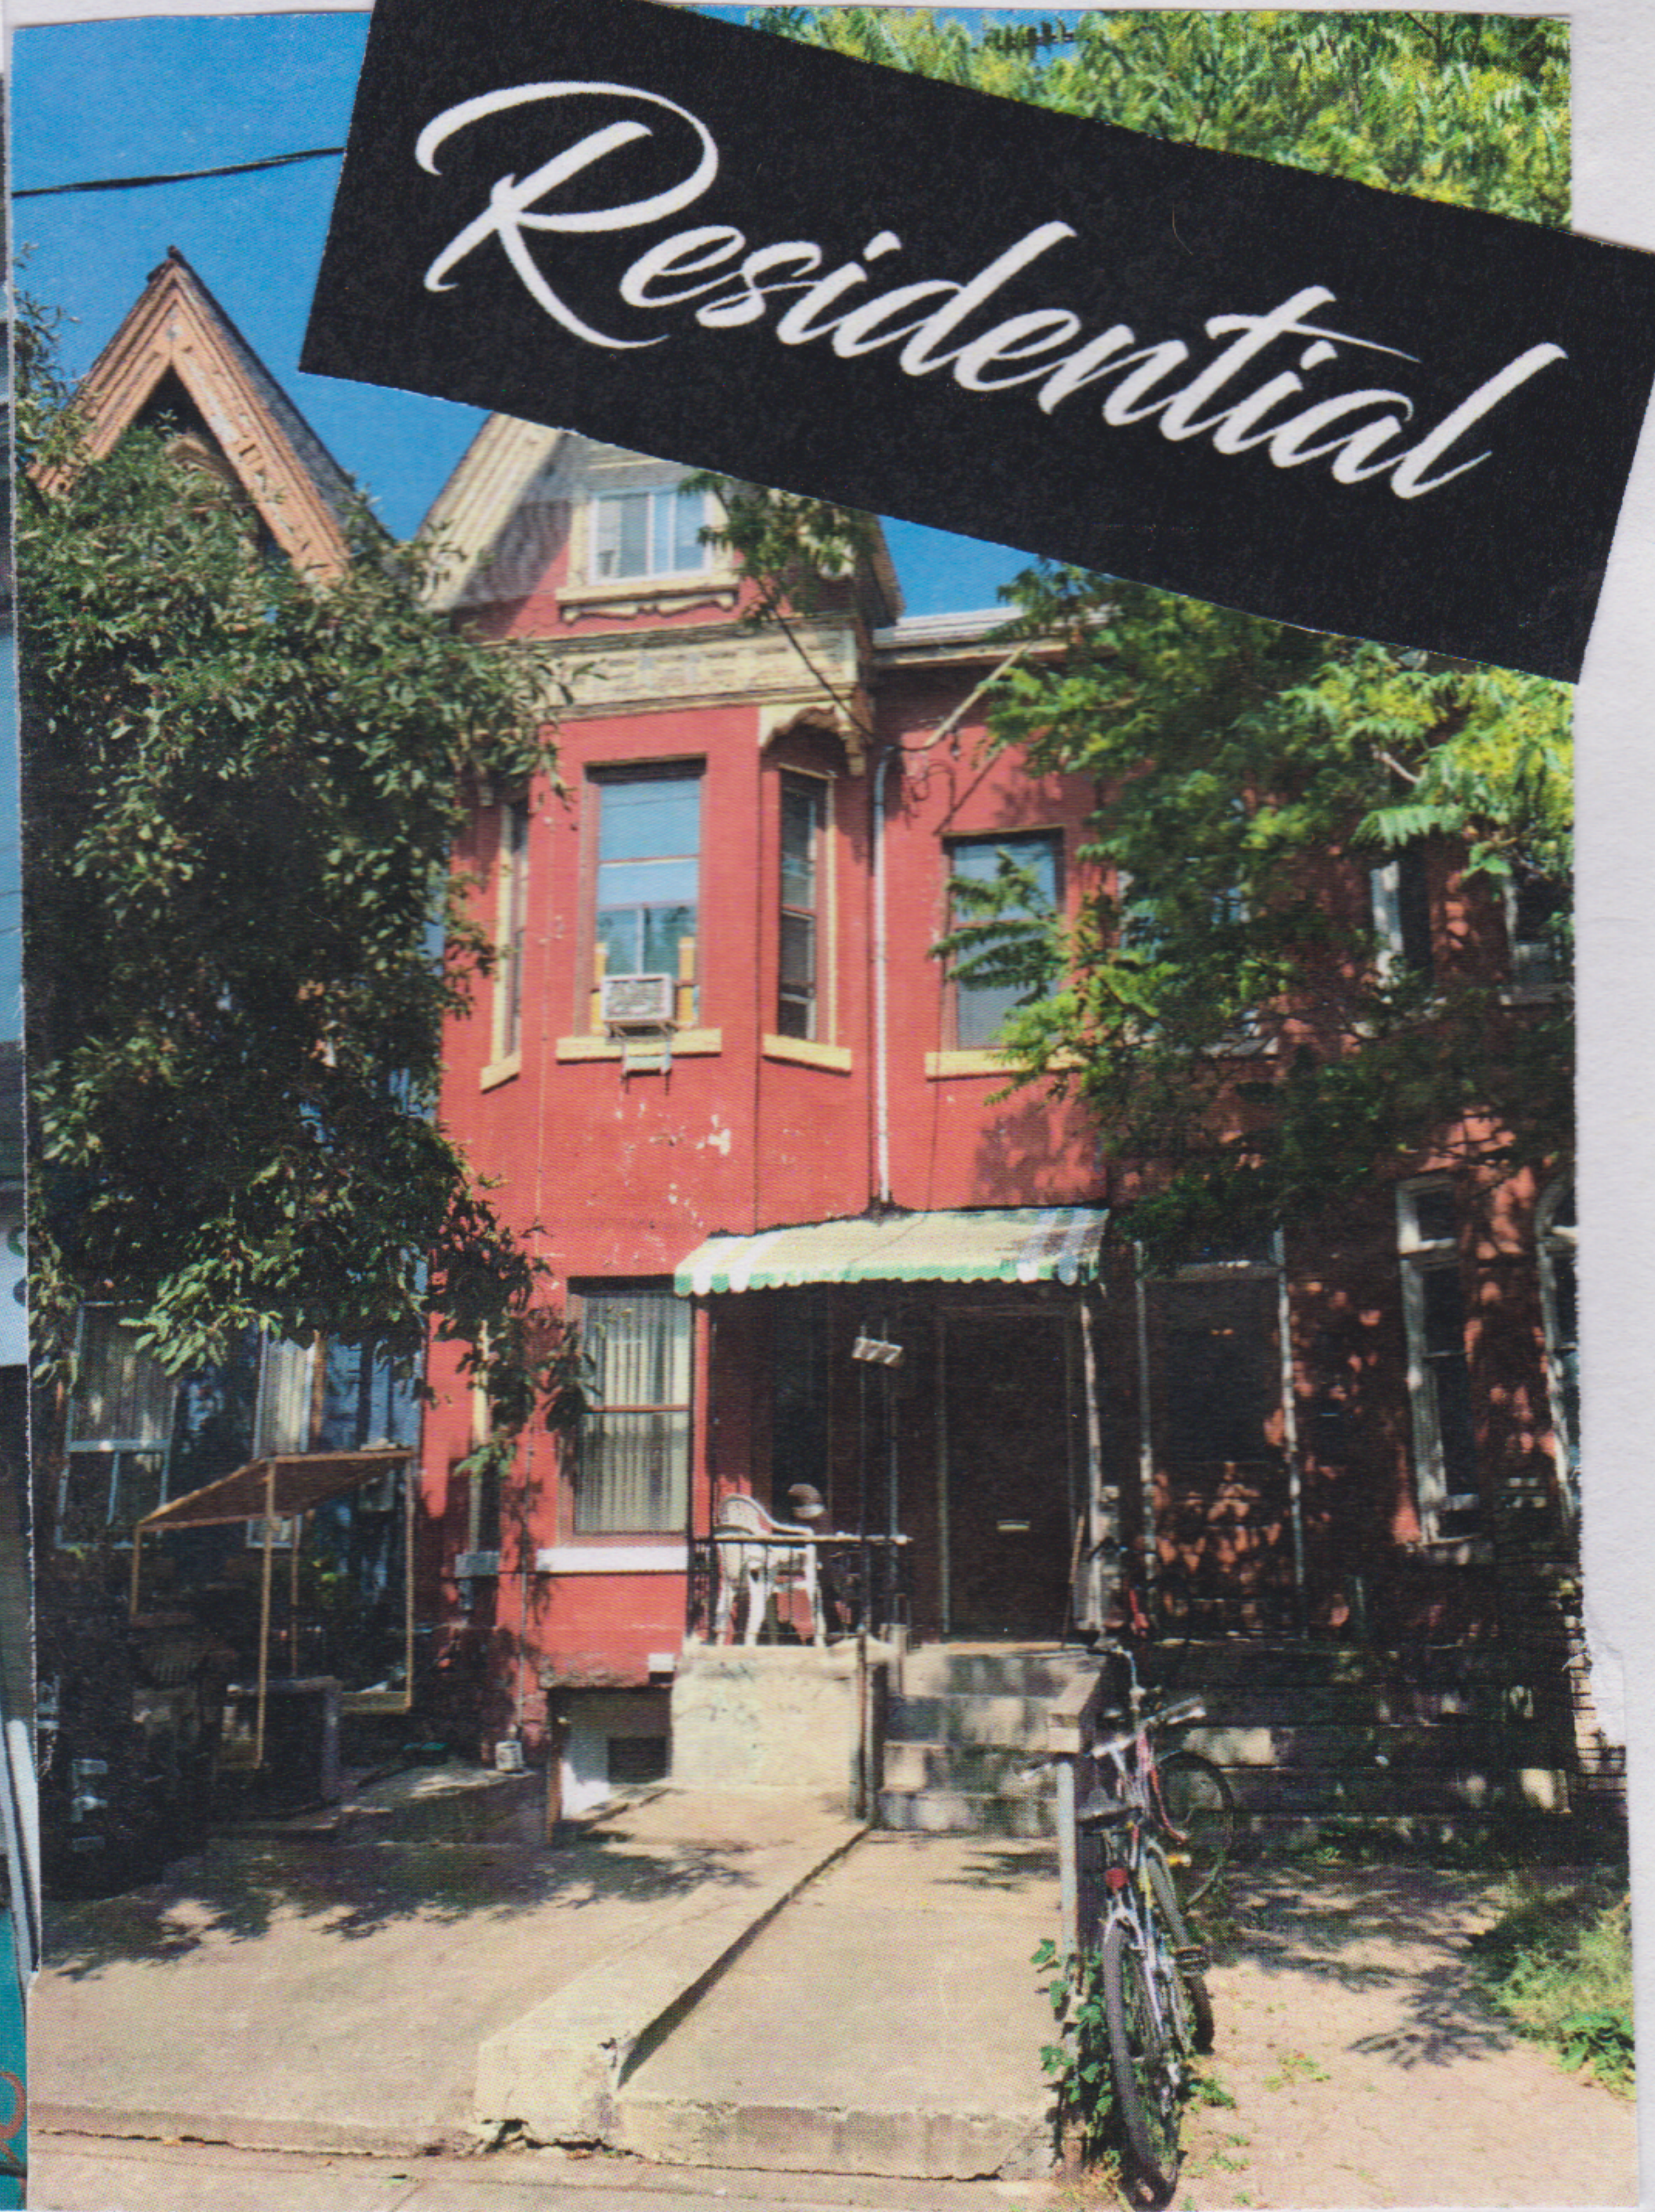

Kensington's identity.

This Zine will focus on the architecture of Kensington Market. Two aspects will be studied: residential and commercial architecture

# QUESTIONS

WHAT FURTHER ENHANCEMENTS ARE PUT FORTH IN THE ARCHITECTURE TO ADD MEANING TO CERTAIN STRUCTURES?

HOW DO THE DIFFERENT STYLES OF ARCHITECTURE REFLECT THE DIVERSE NATURE OF KENSINGTON?

HOW DOES THE ENVIRONMENT AFFECT ARCHITECTURE AND VICE VERSA?

*Street art, marabls, sculptures etc. used as enhancement techniques*
